

## A Tradition of Academic Excellence and Christian Values

Gethsemane has a strong tradition of educating children Kindergarten through 8th grade in our

community for over 60 years. We believe we have a special calling and responsibility to educate the whole child — mind, body and spirit.

As an accredited school, we focus on the basics of reading, writing, math, social studies and science to lay a solid academic foundation.

From that foundation we encourage students to explore and grow as they are challenged to become life-long learners.

We also nurture a child's spiritual relationship with Christ. We believe every child has God-given talents to discover. We seek to help them find their place in this world so that they may use their gifts in service in the world.

*"Our children learn the importance of responsibility, respect, and caring for others."*

*- Judy Hinck, Principal*

### Affordable Christian Education

Gethsemane strives to reflect Christ's love in all aspects of school life. We seek to encourage and instruct students in their faith journey. We offer financial aid and other programs for tuition assistance.

### Our Campus

Gethsemane sits on a 14-acre campus complete with a full-sized gymnasium, science lab, computer lab, worship space for weekly chapel services, art and music spaces, a complete library and on-site hot lunch preparation.

### District 622 Busing

District busing is available to students in Maplewood, North Saint Paul and Oakdale. Gethsemane is conveniently located on the corner of Stillwater Road and McKnight Road (Stillwater Avenue/Lakewood Drive) in Maplewood, less than two miles north of I-94.

### Preschool

Gethsemane partners with Lake Area Discovery Center to offer a quality preschool for 3-5 year-olds. LADC prepares children for kindergarten in a Christian environment where everyone belongs.

### Accelerated Reading

In addition to our strong classroom reading curriculum, our Accelerated Reading Program fosters independent advancement in reading.

*Kindergarten through 8th grade*

### Our Mission

To partner with parents to provide an education where academic excellence and faith formation walk hand in hand.

### Our Teachers

Our licensed professional teachers offer students an average of 10 years of experience and a deep love for Christ and for each child in the classroom.

### Our Students

Come from many communities: Maplewood, Oakdale, Woodbury, St. Paul, No. St. Paul, Lake Elmo, Hugo, Hudson, Cottage Grove and Afton.

### Small Class Sizes

Small class sizes averaging 20 students allow personal attention for each child.

### Technology

Interactive classroom technology, including interactive white boards and pads, enhances classroom learning. Our state-of-the-art computer lab is integrated with core subjects, and our computer curriculum includes research techniques and program knowledge as well as keyboard efficiency.

### Athletics and Physical Education

Gethsemane encourages healthy bodies with daily gym classes and an extensive sports program for grades 3 through 8, with interscholastic sports beginning in 5th grade.

### Fine Arts

Music programs taught by talented specialists are offered twice a week and include a vocal program for all students as well as band options beginning in 4th grade. Weekly art classes lead students to find their creative side, focusing on the use of color, texture and style.

### Math and Science

Gethsemane supports an outstanding math and science program led by specialists in each area. Our full science lab encourages hands-on learning through experimentation and exploration.

### Extended Day Program

Our partnership with Lake Area Discovery Center also provides on-site before and after school care options for all families.
