WHAT OUR FAMILIES SAY

“Gethsemane Early Learning Center is more than a preschool. This is a family that has helped our son grow in so many ways. He is both academically and socially prepared to take on the challenges of Kindergarten. Most importantly he is immersed in a Christ centered education that is establishing a strong foundation of faith that will be guiding principles for his life.”

“We chose Gethsemane preschool for the caring, skilled, and attentive teachers who nourish our children’s minds, bodies, and spirits.”

TEACHING PHILOSOPHY

At Gethsemane Early Learning Center we believe children learn through play and hands on experiences. Classrooms are designed to support children's learning by engaging children in pre-literacy, language, math, science, music, sensory, and large muscle opportunities.

COVID-19 APPROACH

During the COVID-19 Pandemic we have taken the following steps to prioritize the health of your child and family while still offering the same valuable early childhood education and community we always have.

- Reducing class sizes
- Utilizing our outdoor learning spaces
- More frequent cleaning schedule
- Creating an at-home activity website
- Providing at-home learning packets during necessary quarantine periods
- Involving students with classroom jobs to teach the importance of cleaning
