

Busy Bee Supply List

Gethsemane Early Learning Center

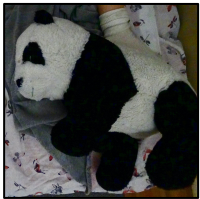

Our Busy Bee Preschool program at Gethsemane runs from 11:30 AM -3:00PM.

What do I need to bring to school every day for Busy Bees?

Rest Time Supplies:

- ❑ **Large plastic bag** that closes, with your child's name clearly written on it. This bag needs to be for rest time items ONLY.

- ❑ **1 small stuffed animal to snuggle**, please no light up animals or ones that make sounds.

- ❑ **Small child size pillow**

- ❑ **Small child size blanket** about the size of our rest time cots.

To help limit the spread of germs, your child's rest time items must fit entirely in the bag. The bag must be able to close securely. Rest time items will be sent home weekly: please wash them before sending them back the next week.

Hot Lunch Program:

Children may choose to eat from our hot lunch program; accounts can be set up in the school office. Hot lunch is free.

Lunches From Home:

- ❑ **Lunch Box-** Choose one that your child can open by themselves. Bento box or tupperware are easier to open than other brands.

- ❑ **Milk:** Choose a container that your child can open by themselves. Flip top water bottles are easier to open. Your child can purchase milk from school for \$.50 each

- ❑ **Protein**
- ❑ **Vegetable**
- ❑ **Fruit**
- ❑ **Grain**

Children who bring lunch from home must have **ALL FOOD GROUPS** represented in their lunch in order to meet guidelines required by licensing rules.

Easier to Open Containers:

If your kiddo can open everything in their lunch it means teachers won't be touching parts that will go in their mouth.

Please have them practice opening things by themselves. The more they can do for themselves, the more sanitary! Thank you!
