Philosophy

Our school uniform helps to reduce distractions from the real purpose of school, which is to learn. The school's dress code also promotes a sense of modesty and decorum among the students. Our parents/guardians appreciate the convenience of the school uniform and will be serving the welfare of our students, and helping us as educators, by emphasizing standards of neatness, cleanliness, safety, and decency in dress and grooming.

Gethsemane School is committed to supporting our families. If purchasing uniforms is a financial burden for your family, please let us know. We are a family in Christ and we all give and receive according to our blessings. -Mary Wegleitner, Principal
